FIP CATS AUSTRALIA

'HELP FIGHT THE FIGHT!'

Feline Infectious Peritonitis (FIP) is no longer the death sentence it once was, since late 2021 in Australia there has since become legal treatment options.

FIP Cats Australia aims to educate cat owners, rescues, breeders and those in the veterinary services of the most recent upto date treatment options in the hope of ending the needless suffering of cats in Australia.

About us

FIP Cats Australia is 100% volunteer run, registered ACNC charity throughout Australia. We aim to educate the community about FIP, available treatment options and where funds permit supply grants to those who would otherwise be unable to afford veterinary services &/or medication.
